

The heart of BlackSeaRama signature golf course designed by

The hotel

The best Boutique hotel on the northern coast of the Bulgarian Riviera offers 20 vast sea view rooms (about fifty sq. m each) with terraces and large beds. An all year round heated indoor swimming pool and a seasonal outdoor one are part of a spa area also featuring a sauna, a steam room, a jacuzzi and massage rooms. Two tennis courts and a Sports centre are nearby in the resort. You can also rent bicycles and buggies.

The Hotel bar is serving the pools during the day. The Gourmet restaurant (evenings only, by reservation), pairs the refined meals with sommelier selected wines from the special Wine shop of the hotel. Three more restaurants are located a walking distance away in the golf resort. Meeting and conference facilities are at your disposal as well as a large Events hall.

The villas

A dozen of hotel-serviced luxury villas (sized from 2 to 4 hundred sq. m) brings privacy and personalised experience. Fully equipped kitchens, en-suite bathrooms, outdoor swimming pools and sea view terraces are available in each villa along with two, three or four spacious bedrooms.

A Gary Player Signature Championship Golf Course

The site for this golf course offers spectacular views of the Black Sea and has allowed us to do something very special. You really have to see it to believe it.

Gary Player

*The only player to win the British
Open on three different decades
Five-time winner of the World Match
Play Championship*

The Best New Golf course in the World 2009, BlackSeaRama is a cliff-top links course offering magnificent sea views. Vines are grown in between the golf holes. With four tees on each of the 18 holes BlackSeaRama is suitable for all styles and skills of play. "BlackSeaRama presents the best of Gary Player's design style" says Angel Cabrera, a US Masters champion.

Cape Kaliakra Beach&Golf Destination

Three signature neighbouring golf courses – a total of 54 remarkable holes. Dozens of sandy beaches, world class resorts around and hundreds of restaurants and bars. In the Northern part of the Bulgarian Riviera you can feel the warm and friendly Bulgarian hospitality spirit. A unique land of seven civilisations spotted with numerous natural treasures take you away from the stress of everyday life. The small marina city of Balchik and the sea capital of the country Varna (ancient Dionisopolis and Odesos respectively) are must-visit places for culture, good food and entertainment seekers.
