SIGNATURE DESIGN

THE COURSES

THRACIAN CLIFFS

18 holes | Par 72 | Gary Player

The 18-hole Gary Player Signature designed Championship golf course dominates the resort, hugging the clifftops for 4.5 km of rugged terrain above the sea, offering dramatic sea views from every hole. Recognized as one of the most visually outstanding courses on Earth, Thracian Cliffs is masterfully sculptured hole by hole to fit perfectly into the cliffs and the natural landscape.

Widely renowned as a top golf venue, soon after its opening Thracian Cliffs hosted the 50-th Anniversary of Volvo World Match Play Championship gathering one of the biggest names in golf – Ian Poulter, Henrik Stenson, Francesco Molinari, Thorbjorn Olesen, Graeme McDowell, Peter Hanson, Nicolas Colsaerts and many others.

*“This is the most beautiful golf course
I’ve ever seen in the world.”*

- Gary Player

THE COURSES

BLACKSEARAMA

18 holes | Par 72 | Gary Player

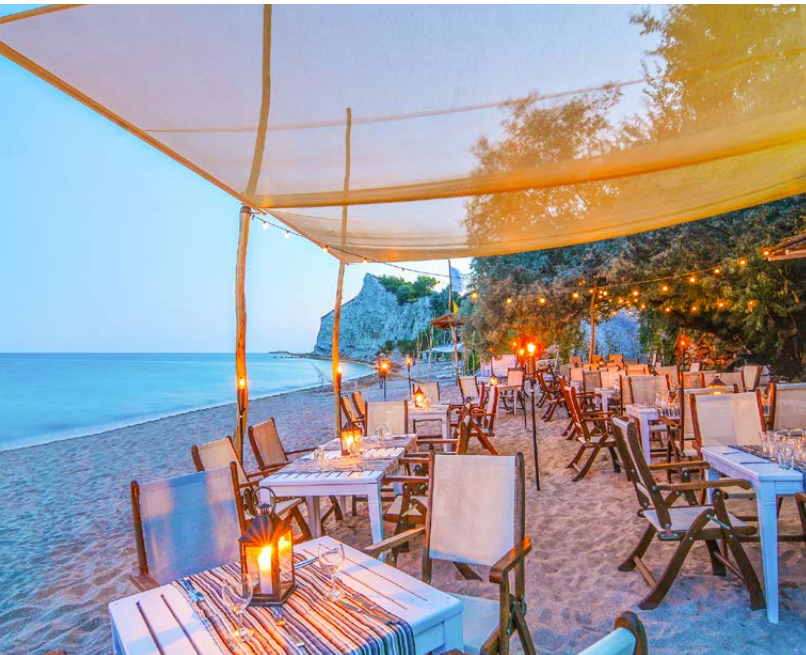

Endless sea view from the height of 200 meters towards the magnificent and extremely diverse bay from Cape Kaliakra to Cape Galata of the Black Sea - this is BlackSeaRama, the first championship signature golf course in Bulgaria - 18 holes, par 72, length of 6648 meters - and the first completed project of Gary Player in Eastern Europe. From a flat terrain, a magnificent classical clifftop links golf course is created, with intimacy at each of the fairways and with greens, often exceeding the regular sizes.

The whole design is fulfilled with respect towards the player, as it gives him a maximum of the chance for a good round at a high-class golf course, where the wind - as it is usual when close to the sea - is often a significant factor.

” *BlackSeaRama is a special golf course –
you have to see it to believe it!* “

– Gary Player
